Emergency Closure Information

In case of really severe weather conditions the best place to find out about a closure is on the school web-site www.chewvalleyschool.co.uk

Information about school closures can also be found on the B&NES website: www.bathnes.gov.uk and local radio stations.

In addition the school will activate the text message system via the Parent Portal, add information to Twitter and will make available the following phone number for any parent/carer without internet access, 07493932568.

In the same way, further announcements via the web-sites, school Parent Portal and local radio stations will be made when the school is re-opening after closure. The school also informs the coach companies.

During the normal school day we will not close the school or send students home without informing parents via the school website and Parent Portal.

School Events

WHAT TO DO IF YOUR CHILD IS ABSENT FROM SCHOOL

It is very helpful if you could telephone school before 8.30am and leave a message on the answer phone. Please give your child's name and form and the reason for their absence. Please also indicate their likely date of return, if this is known.

If your child is absent from school and we have had no message from you, then we will try and contact you by telephone during the morning to check the reason for your child's absence, and to confirm that it is authorised by you.
