

Registered Charity No: 1159856

March, 2017.

Dear Parent/Carer,

As you may know Keynsham Foodbank has a new system in place for families to access food from the foodbank during the school holiday period when school meals are not available for your child/children.

You will not need a foodbank voucher to access the food. The voucher has been replaced by this letter. If you take this letter to one of the Foodbank Distribution Centres, on arriving at the Centre you will be welcomed by one of the team, you won't be asked for any personal details just the name of the school your child attends, how many children are in your family and if your child/children has any food allergies.

The letter will be dated, signed and returned to you so that you can use it for each week of the school holidays. The details and opening times for the Distribution Centres are set out below.

We would be pleased if you would accept the offer as a gesture of kindness from your community.

Very Best Wishes,

Keynsham Foodbank

School Holiday Weeks.

Week 1. Date: 10.04.2017 Signed.....

Week 2. Date: 17.04.2017 Signed.....
