October 2016

Dear Parents/Carers

## Sixth Form Open Evening – 10<sup>th</sup> November at 6.30pm

I am writing to invite you to this important evening which is a milestone in the school's advice and guidance programme for Year 11 students and their parents.

Many students will already have a clear idea of what they want to do after their GCSEs, but this evening will be an opportunity for all students to consider their options and to see what is available in the Sixth Form at Chew Valley.

The evening will begin with a very short presentation in the hall for all parents. You will then have the opportunity to attend five 20 minute taster sessions in different subject areas where my staff will be able to tell you about their Sixth Form courses and give you a flavour of what it will be like to study at Advanced Level. To assist with the process of subject choice we will be issuing the Sixth Form prospectus before the Open Evening, together with a selection form detailing when subject taster sessions are on during the evening. We anticipate the evening will finish around 9pm.

We have had extremely positive feed-back in previous years for this event. I very much hope that you will put the date in your diary and I look forward to welcoming you to the Open Evening on Thursday 10th November.

Yours sincerely,

Gareth Beynon  
Headteacher
