You should note that the offer of a school place can be withdrawn by the Admission Authority even if your child has started school if, at a later date, it is established that the place was offered on a basis of false information. If you knowingly give false information or misleading information in order to obtain a particular school place you could be prosecuted for the offence of fraud by false representation under the Fraud Act 2006 or any other appropriate Act. If false information is provided your application will be void and you will be required to submit a further application. If it is found that a sibling currently at the school was also offered a place on the basis of false information then for any further applications received the admission authority will discount the sibling's connection. In fairness to all parents the Admission Authority reserves the right to require documentary evidence of the genuineness of the family address and, if this is not produced, reserves the right to make its own enquiries with, for example, the Local Authority, Council Tax Offices and other authorities. In the interest of your child's school placement, the information you provide on the preference form may be shared with the Area Behaviour & Attendance Partnership Panel, the Local Authority, other Local Authorities and Schools in the area.

The Secondary Booklet on the admissions to schools page on the council's website www.bathnes.gov.uk provides general information about school admission arrangements. A hard copy of the booklet can be provided on request by phoning the Admissions & Transport Team on 01225 394312. The questions asked on your application form will be used to determine if your child needs to be considered for placement under the Authority's Fair Access Protocol. Children who meet the Fair Access criteria but who have a school place will normally be considered under managed move arrangements which are a separate part of the protocol. If the Fair Access Protocols do not apply then the application will be considered under the casual admissions process details of which can be found in the Secondary booklet.

When considering applications under the casual admissions process

If you apply for a place in a year group at a school where there are vacancies you will normally be offered a place. The School will also advise the LA of the offer.

Schools that are Full/Oversubscribed - It may not be possible to offer your child a place if the year group is already full or if there are more applications than available places. Any decision on which child should be offered a place will be based on the relevant oversubscription criteria.

If a child is refused a place you should be given by the school's admission authority (a) the reasons for the refusal;(b) details of the appeals process; (c) of any opportunity to remain on a waiting list for a place; and the school should forward your form to the lower preference school for consideration if you have named another preference. The School will also advise the LA of the refusal.

Explanatory Notes.

1. Evidence of your move should be one of the following but the Admission authority also reserves the right to request additional information in certain circumstances:-
 - a. A solicitor's letter confirming that completion has taken place on your sale and purchase of your property.
 - b. A copy of a signed tenancy agreement and proof of your sale or Notice to Quit on your current/previous property.
 - c. A copy of a Council Tax Bill or a Utility Bill (Gas, Water, Electricity) in your name for your newly owned or rented property can be provided together with proof of your sale or Notice to Quit on your current/previous property.
 - d. If you are moving in with a relative a letter from them confirming the date you will be moving in together with a copy utility bill showing their name and address will be required. A solicitor's letter confirming that completion has taken place on your sale or Notice to Quit on your current/previous property will also be required.
2. In many cases, a transfer between local schools can be avoided by speaking with the current school & resolving the problems prompting parents to consider a move. We strongly advise parents to seek a resolution to perceived difficulties at the current school. **Children will often experience disruption to their education when they move schools** and a move will not always resolve issues which led to the application. It is of particular importance for children once courses for public examinations have begun. Subjects may not be available & coursework may not be accepted under a different examination board. If you decide to proceed with an application to change schools your child's current school does need to complete Section 4 of the application form.
3. Section 4 of the application form can be left blank if your child is being home educated. Children currently being home educated who are now seeking a school place will normally be referred to the Children Missing Education Service (CMES). The CMES will determine if a referral to the Fair Access Panel is appropriate referring to the last school the pupil attended, especially if it was recent attendance. If CMES conclude a referral to the Fair Access Panel is not appropriate the application will be considered as a casual admission.
4. Please note applications can take up to 15 school days to process. Places offered at schools will normally only be held open for 28 school days. Requests for school places are normally only considered approximately 4 weeks prior to a requested start date. For places being sought for a September admission to an existing year group in a school, applications can be made in Mid June.
5. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority under Section 22 (1) of the 1989 Childrens Act at the time of making the application. A 'previously looked after child' is a child who was looked after, but ceased to be so because they were adopted under the terms of Section 46 of the 2002 Adoption & Children Act; or became subject to a residence or special guardianship order under the terms of the 1989 Childrens Act (Sections 8 & 14A refer)
6. If your child has a Statement of Special Educational Needs (SEN) the request for a place will be dealt with by the Statutory Special Educational Needs Service who will consult with the preferred school(s) in line with the SEN Code of Practice. Your SEN Case Officer should be contacted direct and it is not appropriate to complete this form.
7. Admission Authorities must treat applications for children coming from overseas in accordance with European Union law or Home Office rules for Non EEA Nationals. For this reason Non EEA Nationals should, if possible, provide copies of their child's immigration documents when making their application. An Admission Authority may request this information if it is not provided at the time of application.
8. If your address is different to that of your child's please provide further explanation regarding the reasons for this & if it is because your child is due to move in with you please provide relevant dates.
9. In England & Wales, if the parents of a child are married to each other at the time of the birth or if they have jointly adopted a child then they both have parental responsibility. This is not automatically the case for unmarried parents. According to current law a mother always has parental responsibility for her child. A father, however, only has this responsibility if he is married to the mother when the child is born or if the unmarried natural father of a child has subsequently married the child's mother. In addition a father can acquire legal responsibility for his child through one of three routes, details of which can be found in the Secondary Booklet. Please see the booklet for a full explanation regarding parental responsibility.
10. You must tell us if there is a court order which would affect your application. Even where there is no legal objection to your application, you are urged to reach agreement on preferences with anybody holding parental responsibility who may disagree with your preference. Evidence may be required.
11. The law requires that the Council is informed of any private fostering arrangements. If you have answered 'Yes' information will be shared with the appropriate Social Services Private Fostering Team. If you have any queries regarding Private Fostering arrangements you can contact Social Services on 01225 396312 if living in Bath or on 01225 396313 if living in the North East Somerset area of the Council. There is a different number to contact if your child is disabled which is 01225 825307.
12. An official letter that declares a relocation date and a Unit postal address or quartering area address will be required. Once received Admission Authorities will accept this as proof of a child living in the area when considering the application even though the child's family may not yet be resident.
