Knowle Hockey

#GREATHOCKEYEVENBETTERTEAS

From September to April we play Saturday matches in the England Hockey West League and we train at Merchants Academy on Monday evenings.

Through May - Aug we play in a friendly local Summer League and take part in lots of tournaments and social hockey during the year.

We're just women at the moment, but if you're keen to play men's hockey we can put you in touch a friendly local club with men's teams, or our mixed hockey friends, Peelers MHC.
